"Imagine" - John Lennon

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky
Imagine all the people
Livin' for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too
Imagine all the people
Livin' life in peace

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one
Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

"Scars in heaven" - Casting Cowns

If I had only known the last time would be the last time
I would've put off all the things I had to do
I would've stayed a little longer, held on a little tighter
Now what I'd give for one more day with you
'Cause there's a wound here in my heart where something's missing

And they tell me that it's gonna heal with time
But I know you're in a place where all your wounds have been erased
And knowing yours are healed is healing mine

The only scars in heaven, they won't belong to me and you
There'll be no such thing as broken and all the old will be made new
And the thought that makes me smile now even as the tears fall down
Is that the only scars in heaven are on the hands that hold you now

I know the road you walked was anything but easy
You picked up your share of scars along the way
Oh, but now you're standing in the sun, you've fought your fight and your
race is run
The pain is all a million miles away

The only scars in heaven, they won't belong to me and you
There'll be no such thing as broken and all the old will be made new
And the thought that makes me smile now even as the tears fall down
Is that the only scars in heaven, yeah, are on the hands that hold you
now

Hallelujah, hallelujah
Hallelujah, for the hands that hold you now

There's not a day goes by that I don't see you
You live on in all the better parts of me
Until I'm standing with you in the sun, I'll fight this fight and this race I'll
run
Until I finally see what you can see, oh-oh

The only scars in heaven, they won't belong to me and you
There'll be no such thing as broken and all the old will be made new
And the thought that makes me smile now even as the tears fall down
Is that the only scars in heaven are on the hands that hold you now

"Stand By Me" - Ben E. King

When the night has come
And the land is dark
And the moon is the only light we'll see
No, I won't be afraid
Oh, I won't be afraid
Just as long as you stand
Stand by me

So darlin', darlin'
Stand by me, oh, stand by me
Oh, stand, stand by me
Stand by me

If the sky that we look upon
Should tumble and fall
Or the mountain should crumble to the sea
I won't cry, I won't cry
No, I won't shed a tear
Just as long as you stand
Stand by me

And darlin', darlin'
Stand by me, oh, stand by me
Oh, stand now, stand by me
Stand by me

Darlin', darlin'
Stand by me, oh, stand by me
Oh, stand now, stand by me
Stand by me
Whenever you're in trouble
Won't you stand by me?
Oh, stand by me
Won't you stand now?
Oh, stand, stand by me

"Alles Wat Ademt" - Rob de Nijs

Vrede is ver, verder dan ooit,
zo dicht bij huis rusten de wapens nooit.
Wat heeft de angst met ons gedaan?
Laat alles wat ademt in vrede bestaan.

Macht speelt met macht een dodelijk spel,
bang voor elkaar dreigen ze met de hel.
Leer nu of nooit samen te gaan,
laat alles wat ademt in vrede bestaan,
alles wat ademt in vrede bestaan.

Hoe vreemd ook de taal, je kunt hem verstaan,
laat alles wat ademt in vrede bestaan,
alles wat ademt in vrede bestaan.

ВЛАСТИ ИГРАЮТ, СМЕРТИ ИГРУ (Vlasti igrayut, smerti igru)
ОБЕ БОЯСЬ, ВСТРЕЧИ В АДУ (Obe boyus', vstrechi v adu)
Life's not to take
but peace ours to give.

ПУСТЬ ВСЕ ЧТО ДЫШЕТ (Pusto vse chto d"ischet)
МИРНО ЖИВЕТ (Mirno zhivet)

Laat alles wat ademt in vrede bestaan

"Morning Has Broken" - live door Ellie van Essen

Morning has broken, like the first morning
Blackbird has spoken, like the first bird
Praise for the singing, praise for the morning
Praise for them springing fresh from the World

Sweet the rain's new fall, sunlit from Heaven
Like the first dew fall, on the first grass
Praise for the sweetness of the wet garden
Sprung in completeness where His feet pass

Mine is the sunlight, mine is the morning
Born of the One Light Eden saw play
Praise with elation, praise every morning
God's re-creation of the new day

Morning has broken, like the first morning
Blackbird has spoken, like the first bird
Praise for the singing, praise for the morning
Praise for them springing fresh from the World

"I Believe In You" - Sinead O'Connor

They ask me how I feel
And if my love is real
And how I know I'll make it through
And they, they look at me and frown
They'd like to drive me from this town
They don't want me around
'Cause I believe in you.

They show me to the door
They say don't come back no more

'Cause I don't be like they'd like me to
And I, I walk out on my own
A thousand miles from home
But I don't feel alone
'Cause I believe in you.

I believe in you even through the tears and the laughter
I believe in you even though we be apart
I believe in you even on the morning after
Oh, when the dawn is nearing
Oh, when the night is disappearing
Oh, this feeling is still here in my heart.

Don't let me drift too far
Keep me where you are
Where I will always be renewed
And that which you've given me today
Is worth more than I could pay
And no matter what they say
I believe in you.

I believe in you when winter turn to summer
I believe in you when white turn to black
I believe in you even though I be outnumbered
Oh, though the earth may shake me
Oh, though my friends forsake me
Oh, even that couldn't make me go back.

Don't let me change my heart
Keep me set apart
From all the plans they do pursue
And I, I don't mind the pain
Don't mind the driving rain
I know I will sustain
'Cause I believe in you.

“Je Draagt Het Niet Alleen” - Mattijn Buwalda

voor wie zoekt maar nergens vindt
voor wie vecht maar zo vaak niet wint
net als ik
voor wie gaat maar niet bereikt
voor wie liefde geeft maar niet krijgt
weet dit
je draagt het niet alleen

voor wie gokt en steeds verliest
wie probeert maar vaak verkeerd kiest

net als ik
voor wie licht maar niet geniet
voor wie wel gelooft maar niet ziet
weet dit

je draagt het niet alleen
alleen
je draagt het niet alleen
alleen
raakt de rug je muur
sluit de nacht je in
kun je nergens heen
dan er tegen in
je draagt het niet alleen
alleen

ooo...
zelfs als de hemel zwijgt
als je geloof bezwijkt
al je me niet begrijpt
Ik zal er altijd zijn
zelfs als de hemel zwijgt
als je geloof bezwijkt
al je me niet begrijpt
Ik zal er altijd zijn

je draagt het niet alleen
alleen
je draagt het niet alleen
alleen
raakt de rug je muur
sluit de nacht je in
kun je nergens heen
dan er tegen in
je draagt het niet alleen
alleen
zelfs als de hemel sluit
als je geloof bezwijkt
als je me niet begrijpt
ik zal er altijd zijn

"Every Little Piece" - The Editors

Keep a light on those you love
They will be there when you die
Baby, there's no need to fear
Baby, there's no need to cry

Every little piece in your life
Will add up to one
Every little piece in your life
Will it mean something to someone?

You fuse my broken bones
Back together and then
Lift the weight of the world
From my shoulders again

Every little piece in your life
Will add up to one
Every little piece in your life
Will it mean something to someone?
Every little piece in your life
Will add up to one
Every little piece of your life
Will mean something to someone

You touch my face
God whispers
In my ear
There are tears in my eyes
Love replaces fear

Every little piece in your life
Will add up to one
Every little piece in your life
Will mean something to someone
Oh, every little piece in your life
Will add up to one
Every little piece of your life
Will mean something to someone

I'm not sure I've seen this place before
No, I'm not sure I've seen this place before

"Lean On Me" - Bill Withers

Sometimes in our lives
We all have pain, we all have sorrow.
But if we are wise,
We know that there's always tomorrow.

Lean on me when you're not strong
And I'll be your friend, I'll help you carry on
For it won't be long
'Till I'm gonna need somebody to lean on.

Please swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you won't let show.

You just call on me, brother, when you need a hand
We all need somebody to lean on.
I just might have a problem that you'll understand,
We all need somebody to lean on.

Lean on me when you're not strong
And I'll be your friend I'll help you carry on
For it won't be long
'Till I'm gonna need somebody to lean on

You just call on me, brother, when you need a hand
We all need somebody to lean on.
I just might have a problem that you'll understand,
We all need somebody to lean on.

If there is a load
You have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me.

Call me if you need a friend
Call me, call me, uh-huh
Call me when you need a friend
Call me if you ever need a friend
Call me, call me
Call me, call me

Call me if you need a friend
Call me, call me
Call me, call me

"Tonight" - Son Mieux

When you're a little out of touch
I'm a little out of sight
We've been walking this road for quite some time
As I stumble in to fear
I stand my ground and draw a line
I'm tired of being the one who runs and hides

Know I'll be here, by your side
Let it out, can you try
To feel it, feel it
I'll be here, by your side
Let me in, and I will try
To feel a little more, a little more than before

And tonight
If you're a little down then so am I
Side by side
We'll make it to the morning light
It's alright
If you're a little down then so am I
Side by side, side by side
We'll make it to the morning light

One step at a time
In the blink of an eye
We'll let the moment live and let the moment die
It could break our hearts
But if falling apart can help us feel
Come on, let it hurt & let it heal

And I'll be here, by your side
Let it out, can you try
To feel it, feel it
I'll be here, by your side
Just let me in, and I will try
To feel a little more, a little more than before

And tonight
If you're a little down then so am I
Side by side
We'll make it to the morning light
It's alright
If you're a little down then so am I
Side by side, side by side
We'll make it to the morning light

Feel the years, feel the pain
Feel the tears drifting away
Feel the breaking of the chains
Feel the weight, fading away

And know that tonight
If you're a little down then so am I
Side by side
We'll make it to the morning light

It's alright
If you're a little down then so am I
Side by side, side by side
We'll make it to the morning light
We'll make it to the morning light
'Cause tonight
If you're a little down then so am I
Side by side
Side by side
We'll make it to the morning light

"Somewhere In The Middle" - Casting Crowns

Somewhere between the hot and the cold
Somewhere between the new and the old
Somewhere between who I am and who I used to be
Somewhere in the middle, You'll find me

Somewhere between the wrong and the right
Somewhere between the darkness and the light
Somewhere between who I was and who You're making me
Somewhere in the middle, You'll find me

Just how close can I get, Lord, to my surrender without losing all control

Fearless warriors in a picket fence, reckless abandon wrapped in common sense
Deep water faith in the shallow end and we are caught in the middle
With eyes wide open to the differences, the God we want and the God who is
But will we trade our dreams for His or are we caught in the middle
Are we caught in the middle

Somewhere between my heart and my hands
Somewhere between my faith and my plans
Somewhere between the safety of the boat and the crashing waves

Somewhere between a whisper and a roar
Somewhere between the altar and the door
Somewhere between contented peace and always wanting more
Somewhere in the middle You'll find me

Just how close can I get, Lord, to my surrender without losing all control

Lord, I feel You in this place and I know You're by my side
Loving me even on these nights when I'm caught in the middle

"With A Little Help From My Friends"

- Beatles / Billy Shears

What would you think if I sang out of tune
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key
Oh I get by with a little help from my friends
Mm I get high with a little help from my friends
Mm gonna try with a little help from my friends

What do I do when my love is away?
(Does it worry you to be alone?)
How do I feel by the end of the day?
(Are you sad because you're on your own?)
No I get by with a little help from my friends
Mm I get high with a little help from my friends
Mm gonna try with a little help from my friends

(Do you need anybody?)
I need somebody to love
(Could it be anybody?)
I want somebody to love

(Would you believe in a love at first sight?)
Yes I'm certain that it happens all the time
(What do you see when you turn out the light?)
I can't tell you, but I know it's mine
Oh I get by with a little help from my friends
Mm I get high with a little help from my friends
Oh I'm gonna try with a little help from my friends

(Do you need anybody?)
I just need someone to love
(Could it be anybody?)
I want somebody to love

Oh I get by with a little help from my friends
Mm gonna try with a little help from my friends
Oh I get high with a little help from my friends
Yes I get by with a little help from my friends
With a little help from my friends
